

## **DECLARATION CONCERNED WITH THE CONFORMITY TO EU-DIRECTIVES**

Heerhugowaard (NL), 30 October 2015.

This declaration is concerned with meeting the requirements given in legislation based on:

1. the EU-Directive 2012/19/EU: on Waste Electrical and Electronic Equipment (WEEE-directive);
2. the EU-Directive 2011/65/EU: on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS-directive);
3. European Regulation EC No 1935/2004: on materials and articles intended to come into contact with food.

BRAVILOR BONAMAT BV. has joined (national) organisations that take care of the collection, treatment and useful reuse or recycling of the waste of electrical and electronic equipment in a manner approved by the government. These organisations will care for the collection, treatment, storing and transport of the waste of the electrical and electronic equipment on behalf of BRAVILOR BONAMAT B.V.

Since 01 August 2005 BRAVILOR BONAMAT B.V also attaches the required mark on the electrical and electronic equipment she produces and sells within the European Community.

By joining the said organisations, attaching the required marks on and making the relevant information, about the electrical and electronic equipment she produces and sells, available, BRAVILOR BONAMAT BV. meets the legal requirements based on the EU-directive 2012/19/EU.

Since 01. April 2006 all suppliers of BRAVILOR BONAMAT B.V. have indicated that they are supplying BRAVILOR BONAMAT B.V. with RoHS-compliant materials and products, that do not contain any:

- Lead (Pb);
- Mercury (Hg);
- Cadmium (Cd);
- Hexavalent Chromium (Cr<sup>6+</sup>);
- Polybrominebiphenyls (PBBs); or
- Polybrominatediphenylethers (PBDEs).

in not allowed quantities. Based on this BRAVILOR BONAMAT BV. declares that her electric and electronic products are in conformity with the regulations based on the RoHS-Directive No. 2011/65/EU as far as this is practically and technically feasible.

Since the beginning of May 2006 BRAVILOR BONAMAT B.V. attaches a marking on her products, indicating the conformity of the product with the regulations based on the RoHS-Directive.

BRAVILOR BONAMAT BV. is in the process to introduce a system that in the future will take care of all traceability needs for her products, the materials and parts used in the manufacture and distribution thereof.

The information contained herein is based on the present state of our knowledge and understanding.
